

Ref. No.- QPITI/26-27/NOTICE

Date-30.09.2026

NOTICE

All the students of Quivan Private ITI are hereby informed that, as per the advice of the Department of Technical Education, Training & Skill Development, "Seva First Innovation Challenge" is being organized as a part of the Seva Sankalp Abhiyan.

The State-level event of the Seva First Innovation Challenge is tentatively scheduled to be held on 09.10.2026. The programme aims to encourage students, youth, innovators and other stakeholders to identify practical and innovative solutions to real-world and local challenges through knowledge, skills and technology.

In this connection, various activities such as Panel Discussions, Exhibitions, Interactive Sessions, Talks and Awareness Programmes will be organized to create mass awareness and encourage wider participation of students.

Students are encouraged to actively participate and share their innovative ideas/solutions relating to suitable themes, including:

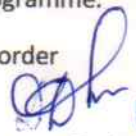

1. Issues in your area and their solutions through the knowledge of your skilling.
2. Disaster Management and the role of technology in mitigation and rehabilitation.
3. Skilling for a Green Future – Innovation and Prosperity.
4. Innovation to Impact – How young innovators can solve real-world challenges.
5. Classroom to Start-up – Developing an entrepreneurial mindset among students.

Special emphasis may be given to practical, feasible and implementable solutions to local problems.

Interested students are therefore requested to come forward and actively participate in the proposed activities and contribute their innovative ideas. Further details regarding submission of ideas/applications, participation and other activities will be communicated as and when received from the competent authority.

All the students are requested to participate in the similar activity scheduled to be held on 07.10.2026 at our Institute premises and extend their active cooperation for successful observance of the programme.

By order
